

Parent / Student helpers 2021

As I'm sure you can all imagine there are an abundance of things to be done to put on a production like our end of year concert. For that reason, we are looking for helpers for concert day.

Please note that if you chose to volunteer your time as a backstage helper you will not get a chance to watch the show. Also, if you are chosen to help backstage you may not necessarily be put with your child and may be required from drop off time, prior to the show. You must also have a current Working with Children Check. These are available online and are free for volunteers.

Please also note, even though the concert is a big task, we do only have limited space for helpers needed. The parents that I do require to be there will be sent a text message outlining times etc. for the day, and anyone else who isn't require, please know you're greatly appreciated!

If you wish to volunteer your time, please fill out the form below and place in the fees box.

THANK YOU IN ADVANCE!
